2. Correspondence ending with letter No. C. 330, dated 18th February 1924, from the Commissioner of Income-tax in Mysore, forwarding copies of opinions of the Deputy Commissioners of Districts in the matter.

Order No. FL. 1532-49--I. T. 39-23-5, DATED 13TH SEPTEMBER 1924.

Government consider that some amount of hardship is certainly caused to the assesses by their having to attend the District or Sub-Division headquarters for the hearing of their cases and the production of their accounts for examination. Government are therefore pleased to direct that the income-tax cases be heard and the examination of the accounts made by the officers concerned as far as possible in the taluks to which the parties belong.
